"OUR DAUGHTER'S PERFORMANCE TENDS TO DECLINE DRAMATICALLY WHEN I DEPLOY. I AM THE NEXT OUT THE DOOR AND THE ACADEMIC SUPPORT FROM SEALKIDS HAS BEEN A HUGE HELP FOR HER. THANK YOU!"--SEALKID PARENT

During Grant Cycle 2, SEALKIDS parents shared:

Our child has been challenged since age 3. We have suffered as a family, and our child has suffered most of all. Since SEALKIDS has been helping us, he has made progress from tutoring and special needs camps. We know that he is very smart and he loves to learn. Thank you SEALKIDS!

My son is understanding a little more each time and is learning so much from his tutor. He is uneasy if he hasn't had a recent tutoring session. The tutor and my son have built a great bond thanks to SEALKIDS' help. Thanks so much for the continued support!

Our son has just started 8th grade. He is already more confident in his abilities at school. He isn't getting into as much trouble at home as before. Thank you with all our hearts. We couldn't have done it without SEALKIDS and the donors.

We just can't thank SEALKIDS enough for everything they have done for our daughter. She still has a ways to go, but she has come so far with the help of SEALKIDS. We are excited to see the continued progress. She can finally read!!

You have taken the academic pressure off of our family. Having SEALKIDS has helped my husband feel more involved in our child's education. SEALKIDS has allowed us to have a more peaceful home, making our family time more productive.

Oh, I really cannot say enough. The tutor has been wonderful and our daughter has become excited and confident. It is such a wonderful thing to see! Thank you so much.

Grant Cycle 2 provided many children the opportunity to work toward mastery of skill in preparation to join their peers in the fall academic semester.
