Navigating the Storm: Lessons Learned from Leaders in the Field

Join us for a live digital dialogue with Former Navy SEAL Chris Fussell
Exclusively available for Friends of SEALKIDS
Thursday April 30, 2020
5:00-6:30pm

A business leader and former Navy SEAL shares his expertise on leading disparate teams in complex circumstances. He will field your questions and offer insight on how every business, organizational, or family leader can communicate effectively across new platforms, strengthen team culture, and guide their organization through the uncertainty of constant change. Please mark your calendar. We will be sending more details about this virtual event soon!

Chris Fussell is the President of McChrystal Group, a partner in helping service stronger business outcomes, and Former Navy Seal. He is the author of the New York Times bestseller, *Team of Teams* as well as the Wall Street Journal Bestseller *One Mission*.

Finding Opportunity in Crisis

COVID-19 has brought drastic changes in many of our lives. It brings additional challenges for both students with learning disabilities and military families. In this month's blog post, Suzanne offers a simple three step check-in for these difficult times.

More Resources for Parents!

[Highlights for Children](#) has lots of great resources for you and your child while you are staying home. From puzzles and crafts to science experiments you can do in your kitchen, they have a wealth of resources to help you create quality time with your child that is both fun and educational.

The SEALKIDS 2019 Annual Report will be available shortly!

You can expect the digital copy of our annual report to arrive in your inbox this week.

Five Mistakes Parents Make (and How to Learn From Them)

This resource from [Wrightslaw](#) offers five common mistakes parents makes when advocating for their child and how you can learn from them. With great resources, you can feel more prepared and at ease while discussing your child's educational needs.
